**Billy Saves the Dolphins**

1

Billy works at a beach. He sells toys, swimsuits and sunglasses, but not food. Many people go to the beach. Their favourite activity is watching dolphins.

Some pink dolphins like to swim close to the beach. When they are near, the people there are very happy. Some people follow the dolphins with boats. But the boats sometimes hit them. The dolphins swim far away because they do not feel safe.

Billy is sad. He wants to help the dolphins. He makes a huge rubber duck. The size is very large. He also makes three small rubber ducks. He paints their bodies yellow and their tails red and green. Then he pulls them out to the sea.

The ducks are cute. Many people come to take photos of the ducks. They feel excited and forget about the dolphins. The dolphins are now safe. Billy is happy.
