*Your Principal has asked the Student Union to help to organise an overseas study tour. You and two other members of the Union are discussing how to help organise the tour.*

In your discussion, you may include:

- which countries/cities to visit and why
- which year levels/forms and how many students can take part
- when and how long for e.g. summer holiday, two weeks...
- things to see and do e.g. museums, theme parks...
- anything else that you think is important

*You may begin by saying:*
